Türkiye-Indonesia Business and Investment Roundtable Meeting
3 November 2026 | InterContinental İstanbul

1. AdaKami (PT Pembiayaan Digital Indonesia)

Financial Technology / Peer-to-Peer (P2P) Lending

AdaKami is a leading digital lending platform in Indonesia operated by PT Pembiayaan Digital Indonesia. The company utilizes advanced fintech and big data analytics to offer unsecured online cash loans to individuals and small-scale borrowers who traditional banking institutions may underserve. Officially licensed and supervised by the Financial Services Authority (OJK), AdaKami emphasizes secure, transparent, and responsible lending practices. Beyond credit facilitation, the company actively contributes to Indonesia's broader financial inclusion goals by extending digital credit access across various regions and demographics.

2. Sinar Mas Group

Diversified Industrial Group

Founded by the late entrepreneur Eka Tjipta Widjaja, Sinar Mas is one of Indonesia's largest and most diversified business conglomerates. The group operates across seven key foundational pillars: pulp and paper (via Asia Pulp & Paper), agribusiness and food (via Golden Agri-Resources), financial services (including Bank Sinarmas and Sinar Mas Multiartha), developer and real estate, telecommunications, energy and infrastructure, and healthcare. With operations spanning domestic and international markets, Sinar Mas drives significant economic impact through sustainable business practices, large-scale employment, and strategic investments in industrial sectors.

3. PT Selim Permata Anugerah & Tianyuan Group

Chemical Manufacturing & Industrial Investment

This entry represents a strategic industrial partnership between PT Selim Permata Anugerah and China's Tianyuan Group. Tianyuan Group, established in 1944, is a prominent Chinese chemical enterprise specializing in chlor-alkali chemistry, polymer materials, fine chemicals, and lithium battery materials. By partnering with local entities like PT Selim Permata Anugerah, the group expands its footprint into Southeast Asia, focusing on industrial manufacturing, resource processing, chemical production, and large-scale industrial infrastructure investments tailored to the regional market.

4. HIMKI (Indonesian Furniture and Craft Industry Association)

Industry Association

HIMKI (The Indonesian Furniture and Craft Industry Association) is the official national trade association representing manufacturers, producers, and exporters across Indonesia's furniture and handicraft sectors. Formed through the merger of multiple industry associations, HIMKI acts as a vital bridge between business operators and the government. Its primary mandates include advocating for supportive industrial policies, promoting sustainable raw material sourcing, organizing domestic and international trade exhibitions (such as IFEX), and helping local enterprises enhance their global competitiveness and export volume.
